

# K-Kid Hunt

In the first row, fill in the answers for yourself.

Then find another person in K-Kids and ask a question. If you get a match, sign each other's sheets. If you get a no, the other person asks you a question hoping for a match. Continue asking questions until you find a match for each box. Try to fill all the boxes in.

	<b>Self</b> (write your answer to each entry in this column)	<b>K-Kid Friend</b> (If your friend's answer matches yours, have them sign here)
