Trick-or-Treat for UNICEF: It's almost here!

October is right around the corner, and the fun is about to begin.

Is your club ready to join Kiwanis-family clubs around the globe for Trick-or-Treat for UNICEF 2013? The donations collected by your K-Kids will help eliminate maternal and neonatal tetanus from the face of the Earth.

By now, hopefully, your club has selected its project for Trick-or-Treat, and you're ready to turn your plan into action. The next steps are:

1. **Set a goal.** After you determine your project, estimate what you'll raise then subtract your expenses. This is your fundraising goal. Motivate club members by sharing the number of lives they'll save.

2. **Get your supplies.** Do you have everything you need to host your fundraiser? Consider asking for donations from local businesses or even large chain stores. If you still need boxes, there's still time to order them.

3. **Market your event.** Print out Trick-or-Treat labels or make your own displays, letting everyone know about the upcoming event and how they can donate.

4. **Submit your donations and get recognized.** Send your donations to the Kiwanis International Foundation along with The Eliminate Project gift form. If your club submits US$250 in donations for Trick-or-Treat, your club will earn a banner patch. Learn about other recognition opportunities at www.TheEliminateProject.org/SLPawards. You can do it!

The club renewal center is open!

A new school year means it's time to register your K-Kids club to ensure students have the updated materials they need for a great year.

- Send your US$150-per-club sponsorship fee to the Kiwanis International Office.
- Register your clubs at the K-Kids renewal center to prompt the mailing of program kits to your club. Kits include member buttons, officer buttons, cards, handbooks, certificates, posters and advisor resources.

Being a leader means being prepared. Get everything ready for another great K-Kids year. Renew now! And make sure the club advisors' contact details are current so they'll receive the email updates they need from Kiwanis International too.

The Kiwanis member services team can answer your questions and send additional supplies if you need them. Just call 1-800-KIWANIS, ext 411 (USA and Canada), or email memberservices@kiwanis.org.

Keep youth safer with new guidelines

Kiwanis International's updated Youth Protection Guidelines go into effect October 1. Here's how you can prepare the adults who work with your K-Kids club.

- **Kiwanis advisors**: Please familiarize yourself with these guidelines and share them with your faculty advisor. One big change is that all Kiwanis advisors must have a cleared background check. A check done through the school or host site will satisfy this requirement.
- **Faculty advisors**: Be sure your Kiwanis advisor knows the school's policies for adults working with youth.

Work together to ensure the safety of your members and yourself! To learn more about the Kiwanis Youth Protection Guidelines, visit [www.kiwanis.org/youthprotection](http://www.kiwanis.org/youthprotection), or access the recorded webinar about the guidelines. By tuning in, you'll gain a better understanding of your responsibilities, develop best practices for working with youth and know how to protect yourself and others from risky situations. The Kiwanis member services team can also help: 1-800-Kiwanis, ext 411 or memberservices@kiwanis.org.

It's time to recruit

The beginning of the school year is the perfect time to recruit new members to your K-Kids club. Encourage your club to hold a membership drive. Here are some tips for success.

1. **Remember: People join people.** It's likely most club members joined because they were asked by a friend. Encourage members to share their experience with friends and ask them to join.
2. **Establish goals:** How many members does your club need to accomplish its service goals for the year? Help your club set a realistic goal and then brainstorm how to get there.
3. **Do it!** Take action. Try these ideas: Hang posters, pass out fliers, make announcements about meetings, invite students personally, hold an ice cream social, do a mini service project during lunch (such as making bookmarks for the school library or a senior center). Be visible and show the school how exciting it is to be in K-Kids.
Careers on wheels

The K-Kids Club at Ketterlinus Elementary in St. Augustine, Florida, recently hosted Careers on Wheels. For this program, K-Kids invited owners of nearly 30 vehicles (including construction equipment, emergency response vehicles and many others) to explain to students how they use their vehicles in their work.

Mary Warren, the school's K-Kids faculty advisor and Ketterlinus guidance counselor, along with the school's volunteer coordinator, Michelle Moore, organized the event with the help of several members of the Kiwanis Club of St. Augustine, K-Kids and faculty.

K-Kids greeted the vehicle owners, offered them refreshments and served as ambassadors for the school, and once the vehicles were in place, the Ketterlinus student body of 445 children rotated around the field, exploring and learning about each of the vehicles.
