K-Kids

2010-2011

The K-Kids Pledge:

"As a K-Kid, I promise to serve my neighborhood and my school; I will show respect toward my environment; and I will try to make the world a better place in which to live."

K-Kids is structured only on the local club level but is supported by the Kiwanis International Office in Indianapolis, Indiana, which provides programs, literature, and opportunities to relate to elementary aged students from countries all around the world.

The K-Kids objectives are:

- To provide opportunities for working together in service to school and community.
- To develop leadership potential.
- To foster the development of a strong moral character.
- To encourage loyalty to school, community, and nation.
Scrapbooking!

We all met in Miss Cerwinske’s room to scrapbook. We got a lot done in the three hours we were there. We added stuff to paper and pictures. It was really fun!

~ Emma

As a finale to our year...

Ice Cream Social

Later on this year, University K-Kids will have an ice cream social to celebrate our year together and how much we have helped out in the community! K-Kids will use some of the money we’ve collected through dues this year to provide the ice cream, while individual families provide toppings. The K-Kids ice cream social will be a great way to close out the year, and it will be a great way to inspire K-Kids to do even more charity work outside of K-Kids in the future.

Dear K-Kids and Parents,

Below is a list of community volunteer opportunities for members of K-Kids during the first semester of the school year. These are only opportunities for students, and therefore students are not required to volunteer at the following events in order to still be a member of K-Kids. However, many students may be interested in volunteering at one or more of the events listed. Please look over the list, and decide by Friday, September 24th, the events in which you are not only interested in attending, but in which you are ALSO ABLE TO PARTICIPATE. Forms must be returned to Miss Cerwinske by Friday, September 24th, so that arrangements can be finalized with the various organizations listed. Miss Cerwinske will serve as the faculty advisor and adult chaperone at each of the events listed; however, parents are welcome to stay and volunteer with students at each event as well. Parents are responsible for timely drop offs and pick ups at each event.

Please complete the form by placing a check mark next to the volunteer opportunities in which you are able to commit your service.

Dear K-Kids and Parents,

Below is a list of community volunteer opportunities for members of K-Kids during the second semester of the school year. There are two important points, students, and therefore students are not required to volunteer at the following events in order to still be a member of K-Kids. However, students interested in volunteering at one of the events listed, Plase look over the list, and decide by Friday, January 14th if you are only interested in attending, but in which you are ALSO ABLE TO PARTICIPATE. Forms must be returned to Miss Cerwinske by Friday, January 14th so that arrangements can be finalized with the various organizations. Miss Cerwinske will serve as the faculty advisor and adult chaperone at each of the events listed. However, parents are welcome to stay and volunteer with students at each event as well. Parents are responsible for timely drop-offs and pick-ups at each event.

In addition to the events listed below, K-Kids will be collecting pop tabs for the Ronald McDonald House for the remainder of the year. Please drop collected pop tabs off to Miss Cerwinske in room D-187, or in the front office of University School.

Please complete the form by placing a check mark next to the volunteer opportunities in which you are able to commit your service.

Second Semester Volunteer Opportunities (Outside of School)
Pumpkin Patch

We went over to Sherwood Oaks Christian Church and unloaded over 2,000 pumpkins from a semi-truck! At a later volunteer opportunity, we even helped sell them.

Thankful...just because.
At the end of the day...this is all that matters.
CareFest 2010 big success

Lytle Brown to The

Another annual CareFest is behind us and thanks to 350 wonderful volunteers it was a huge success. Volunteers completed sixteen great projects and raked twenty yards. The day began with a very chilly 27 degrees, but soon the sun came out and we enjoyed a beautiful day, hard work and great fellowship.

Thank you for giving up your Saturday to let Bloomington know that we care. Pictures will be posted on the SOCC Facebook page very soon. We hope you were blessed by your experience.

Special thanks to our awesome Project Leaders for a job well done!

Feliz Navidad

Thank you and please thank your students again for their great work in the short time frame we had. It was marvelous and the folks in Colleyville/Rhome, Texas as well as those in Del Rio were very impressed with what us "hoosiers" accomplished.

Debbie

Therefore, on Monday, December 26th, some friends of mine met me at our church building where we were storing the items and we sorted, counted, packed and taped 11 boxes of animals and shoes. We ended up shipping 436 stuffed animals and 129 pairs of shoes. The group from Del Rio took 1866 stuffed animals and 424 pairs of shoes across the border. Anyway, we shipped on the 26th so the boxes would reach my friend in Rhome, Texas by Thursday. They arrived at his house at 10:30 a.m. on Thursday and then he promptly loaded them onto his trailer and drove to Del Rio Thursday night/Friday morning. There his group joined with the Del Rio group and they chose 5 men to take the items across the border. Apparently the violence and drug traffic has increased during the past year and the Mexican government and missionaries were hesitant to welcome them into Acuña for fear of an attack.
Our next K-Kids meeting is this coming Wednesday, the 5th of January, and Keller, sixth grade K-Kid president, will be reporting back to the group about the results of the drive. We knew that U-School collected about 27 pairs of shoes, and about 60 toys/stuffed animals; however, we were wondering if there was a grand total of shoes and toys that were brought down to the children in Mexico. If so, could you share that information with me, and I’ll make sure to pass it along to Keller?

Thanks! Erin Cerwinski

As you can see in one of the pictures there were so many families lined up to receive animals and shoes that the police were called in to handle the traffic.
Happy New Year from the Hoosier Hills Food Bank!

Thanks to your help we were able to distribute 3,230,893 pounds of food in 2010!! We couldn’t have done this without our VOLUNTEERS, so thank you for all of your hard work in 2010.

My New Year’s Resolution is to keep you all better informed of our volunteer needs here at the Food Bank. Here are some upcoming events and things to keep in mind. Please contact me if you are interested in helping out with any of these events! Thanks for all you do!

Soup Bowl
Sunday, February 20
5:00pm at the Convention Center

Join us for the 17th annual Soup Bowl Benefit by volunteering! You can help us to: set up, serve soup, clean bowls, or tear down.

To attend the event:
The Soup Bowl Benefit is an HHFB fundraiser in which you can sample delicious soups from various local restaurants, eaten right out of your personally selected ceramic bowl hand-crafted by a local artisan all while listening to great music! Tickets go on sale on January 10th at HHFB, all Bloomingfoods locations, and Yarns Unlimited in the Fountain Square Mall. They are $25 per person, $6 for kids (at the door).

Repack
Monday, Wednesday, and Friday nights
5:30pm to about 7pm

Please help us repackage donated prepared food from restaurants, schools, and other certified kitchens into family sized portions. We could really use groups and individuals to help out our repack program. If you would like to sign up or have a group you can bring contact Kai Westerfield at volunteers@hhfoodbank.org or (812) 334-8374. Also, if you have a new schedule for yourself or your group, please let us know.

The 9th Annual Homeward Bound Walk
Sunday, April 10th, Noon-3:00pm
Third Street Park

Consider participating in this 5k walk and raise money for the Hoosier Hills Food Bank. The website http://www.homewardboundindiana.org is soon, so please register yourself or your team.

If you have any questions about any of these events contact Kai Westerfield at 334-8374 or volunteer@hhfoodbank.org.

Take care,
Kai
At the beginning of the year, University K-Kids helped set up the Red Cross Book Fair for Monroe County. We filled jars with sand to hold up signs for the fair. After that, we got to fill tables with books! It was a BLAST!! - Clare

Ronald McDonald House

Our K-Kids club is collecting pop tabs for the Ronald McDonald House, which is the house where parents of the children staying at Riley Hospital go for housing and support. This house provides comfort during a trying period for the family by offering small acts of kindness such as coffee in the morning, a clean bath and bed at night, and a facility close to the hospital which would enable parents to visit their child. So far this has been an ongoing project for our school, and we hope to have enough pop tabs to participate in the contest against the other schools by the fall of 2011. If our school donates the most pop tabs—as we hope we do—we will win a trophy to put in our school showcase to show that we care about others.

Work in Progress!
Random Acts of Kindness

In January University K-Kids worked on decorating plates for the members of Bell Trace retirement community by drawing pictures on circular tissue paper that could be sent away to a plate making company. Our finished order should be arriving soon, and we will view the finished plates at our next meeting. We will then bake cookies that will be placed on the plates and brought over to the retirement community when we visit on April 19th. Our club is calling this project “Random Acts of Kindness,” since we will be delivering decorated plates with cookies, as well as singing several songs for the members of the community that we practiced with the music teacher at our school.

Japan Relief Effort—School Cookbook

University School K-Kids decided to hold a fundraiser in order to help with relief efforts after the recent tsunami and earthquake that took place in Japan. Since we wanted to host a fundraiser that everyone could participate in regardless of whether or not they had money to donate, we came up with the idea of designing and printing a school cookbook that could be sold during our school’s end of the year Learning Festival. Therefore, even if a family cannot help with the fundraiser by purchasing a cookbook, every family will have the opportunity to donate a recipe. All proceeds from the cookbook will go to help Japan! We can’t wait to get started!

Pennies for Patients

When UES K-Kids were learning about Leukemia, a representative from Pennies for Patients came to our school to teach us about Leukemia and Lymphoma. We then showed the students at our school a video about bone and blood cancer. Our school decided to collect spare change to raise money for the children with blood or bone cancer by participating in the Pennies for Patients organization. Our school raised a total of $1,980.01 to help those with Leukemia or Lymphoma recover from their disease.

October 22, 2010

Dear Erin,

Welcome to The Leukemia & Lymphoma Society’s LLS 2010 - 2011 Pennies for Patients program! Thank you again for registering University Elementary School to participate from 11/8/2010 to 11/19/2010.

Please take a moment to complete your school’s Material Order Form online at www.schoolandyouth.org/ln/materialorder. If the form is not submitted, we will base materials off our current records for your school:

- Number of Students: 600
- Number of Classrooms: 30

Your materials will arrive 2 - 4 weeks before the start of your campaign. Additionally, please watch your email for the Penny Times - an online newsletter sent once a month, November through May, that will include updates and important information.

For additional support planning a fun and meaningful program, schedule a Planning Meeting with LLS staff or invite LLS to host an educational and motivational Kickoff Assembly for your students. To schedule an assembly or planning meeting, please contact Elissa Cici directly or include your request on the Material Order Form.

We have enclosed a special “Thank You” gift for registering early. You have also been entered for the chance to win a pair of tickets to watch the Indianapolis Colts take on the Jacksonville Jaguars on Sunday, December 19, 2010 at Lucas Oil Stadium! Winners will be notified on Friday, November 5, 2010.

This cause has special relevance for teachers, students and their families as leukemia causes more deaths than any other cancer among children and young adults under the age of 20. You and your students will raise awareness and funds in honor of patients battling blood cancers. Thank you again for committing to teach students that they can make a change!

Many thanks!

The Leukemia & Lymphoma Society:  Fighting Blood Cancers

Evan
Age 12, 6th Grade
Argos, IN

My name is Evan and I was diagnosed with Hodgkin lymphoma on December 31, 2009. My cancer was found in my chest, spine and behind my collar bone. When I found out I had cancer, I was scared, worried and cried a lot. I felt different than the other kids.

My life changed because I had to stop going to school for awhile. I missed almost all of 6th grade. I started treatments at Riley Children's Hospital and a nurse came to my house to see me every week. I had to take a lot of tests, chemotherapy and shots. After chemo was done, I had to have radiation for one month. After all that, I found out I didn't have cancer anymore!

Cancer was really hard, and one of the worst parts was losing my hair. I was so surprised when the whole school held a shave-a-thon in my honor to raise money for Pennies for Patients! After that, I didn't feel so strange anymore and I was happy to learn that so many people believed in me!

Thank you for supporting kids just like me by doing Pennies for Patients at your school.

Kids Against Hunger
We will package 15,000 meals for hungry children right in our own backyard. Each division will be able to take these meals to food pantries within the five divisions represented at our conference.
Miscellaneous Projects and Events
Attention K-Kids!

Do you enjoy **scrapbooking**? Or have you ever wanted to learn the art of **scrapbooking**?

Now’s your chance! This **Thursday, March 24th**, K-Kids will be meeting in D-107, Miss Cerwinske’s classroom, to create a 2010-2011 K-Kids scrapbook. The scrapbook will archive our year together as a club and will also highlight specific events and volunteer opportunities in which we have taken part. Not only will you get to review all of the achievements of University Elementary School’s K-Kids from this year, but you will also learn scrapbooking and design skills along the way! Upon completing the scrapbook, it will be submitted to the District Committee on K-Kids to be judged in the annual K-Kids scrapbook competition. If our scrapbook places, it will be sent on to Kiwanis Internationals for international judging! If you are interested in helping to complete the University Elementary School K-Kids scrapbook for the contest, please return the bottom portion of this form to Miss Cerwinske by **Wednesday, March 23rd**.

**THERE’S MORE!** If you are interested in entering one of the K-Kids contests as an individual you can do that too! For more information on the essay writing contest or art competition, please see Miss Cerwinske. She will have all the information and forms that you will need. Don’t delay though; entries are due by **April 1st**!

My child, participate in **University Elementary School’s K-Kids scrapbook** for **March 24th**. I understand that there is no cost for this event, however, I will be responsible for arranging transportation for my child or for picking up my child from the event. My child will be participating in the scrapbook event:

- **2:15 pm-3:15 pm (only)**
- **2:15 pm-5:15 pm**
- **3:15 pm-5:15 pm**

During the duration of the event I can be reached by calling:
